Tasting Notes

Advocaat is a traditional Dutch liqueur, much like eggnog. Made from a combination of eggs, sugar and brandy; this decadent liqueur is a bright creamy yellow colour, with rich egg custard aromas and flavours that are balanced by light brandy notes that come through on the palate.

Is a delicious liqueur made from egg yolk, sugar, brandy and vanilla. Thanks to its new, creamier recipe, Bols Advocaat eggnog is now even milder in flavor and more fluid in consistency. This makes it the perfect ingredient for creative cocktails.
