They have a portfolio of more than 20 brands across a range of spirits products, including liqueurs, genever, gin and vodka.”

Tasting Notes

Bols Apricot has been THE apricot liqueur for a very long time. One of Bols’ stronger liqueurs, Bols Apricot uses fresh apricot juice to give it a richer, fuller flavour that matches its golden-amber colour. The apricot fruit’s stone, its kernel, is crushed, giving Bols Apricot a faint amaretto like flavour, supported by orange tones.
