### Background

Galliano Vanilla combines the heart of Galliano L'Autentico, the unique liqueur dating back to 1896, with the delicate and smooth flavour of vanilla from Madagascar, appealing to consumers who prefer stronger vanilla flavour. All the ingredients and aromatic distillates are carefully blended at Galliano's historical producer since 1896, Maraschi & Quirici in Italy.

### Tasting Notes

Galliano Vanilla combines the heart of Galliano L'Autentico, including Mediterranean anise, cardamom, lavender, peppermint and cinnamon, with the highest quality vanilla distillate to make it more accessible.
