Background

Bols Genever is The Original Spirit of Amsterdam.

The original recipe from 1820. Back then, Bols introduced a new recipe with a subtler and more harmonious taste. That's the one that ended up revolutionizing cocktails. It's still as complex and powerful today. True story. Winner of five International Spirits Awards.

Tasting Notes

Bols Original Genever blends their malt spirit with 22 botanicals – ranging from juniper berries, hops and coriander, to cloves and ginger. Exceptionally smooth and complex. Comes on with an initial apricot tone with sweet macadamia nuts, followed by clove and toasted rye. Brings your tongue to life thanks to the Master Distiller's secret ingredient. Bols Genever is the ideal spirit for our signature cocktail, The Red Light Negroni.
