Background

Elk Cove Vineyards is one of Oregon's oldest and most respected wine producers. Founded in 1974, by Pat and Joe Campbell, our focus has always been to produce hand crafted, Estate grown wines that can rival the best in the world. Elk Cove Vineyards Estate vineyards now cover over 220 acres on four separate sites in the Northern Willamette Valley. Steep south facing slopes, of Willakenzie and Laurelwood soil types with excellent drainage, provide the perfect environment to grow the world class wine grapes that are the basis for creating Elk Cove wines. Proper site selection and meticulous vine management along with harvesting at very low yields creates the concentration and depth of flavour that are hallmarks of Elk Cove wines.

Tasting Notes

A multi-faceted nose of cherry, tobacco, violets and pastry introduces a wine with great purity of fruit. Its fresh, rounded notes of plums, currants and fresh candied cherries give way to finely balanced tannins in this elegant, bright wine.

"This has a vibrant and lively nose with upbeat, red-cherry and berry aromas that are laced with attractive perfume. The palate has a smooth, fresh and juicy array of vibrant red-cherry flavor and holds the finish in attractive, fleshy mode." – J.S.
