### Background

Roman Bratasiuk, with a background in bio-chemistry produced his first vintage in 1990 - he is now considered by experts as one of the world's top winemakers. The winery is located just 40 kilometres outside Adelaide, where vines have been planted since 1845 - Roman produces 19 single vineyard wines and they are all 100% varietal. The grapes are all hand-picked and pruned – wines are matured in Burgundian barriques and bottled without fining or filtration to capture the individual character of each vineyard. Roman set out to make world class wines...he has accomplished that goal.

### Tasting Notes

**Colour:** Deep Crimson

**Nose:** Softly perfumed florals- lavender and blue fruit base on top of mocha and cedar background. It exhibits a denser and meatier profile than Brookman Cabernet and is bathed in savoury and spice components that flicker around the majestic, yet refined structure

**Palate:** Seamlessly integrated extract provides a smoothly textured, classically structured expression that is fuller, rounder and more robust with varietal depth and primary nuance.
